1. If you can buy the equipment identified in reference for the price stated, without unduly endangering the security of SEMANTIC or any other personnel, you are hereby authorized to do so.

2. If, on the other hand, you feel that it is too closely controlled to permit safe purchase and removal, we suggest that you have SEMANTIC keep an eye on it so that it might be "procured" at a later date, when an urgent need for it should arise.
