CLASSIFICATION

MAY 1954

TO COS, []

DATE _____

FROM LINCOLN INFO Washington

SUBJECT { GENERAL Operational Matters
SPECIFIC Documents for []

REF: [] 273, 12 April 1954

1. The reference dispatch requested that three copies of each document photographed be forwarded for [] and three copies for the station files. One copy of each was forwarded to LINCOLN from Headquarters, and because of the bulky nature of this material it is believed that this should be adequate for your use. We are therefore forwarding our copies.

2. It is not believed that the items photographed add anything significant to what we already knew. The prints are forwarded merely so that you may comply with promises given []
