CLASSIFICATION

DISPATCH NO. []-531

TO : LINCOLN
FROM : CHIEF OF STATION, []
SUBJECT: General - Political Action, PBSUCCESS
Specific - GILLRAYS Visit.

DATE: 29 MARCH 1954

INFO: CHIEF, WHD

REF: LINC 1353; LINC 1267; []0987.

1. In response to LINC 1353 the following information is submitted:
 - A. GILLRAYS was met in accordance with LINC 1267 on 23 March 1954. JUROR undertook the contact which proceeded without departure from plan. GILLRAYS was informed we had no order precluding him from making normal contact of a social nature as an old friend if he so desired and if his orders did not prohibit.
 - B. GILLRAYS accordingly registered in at the MA's office in compliance with ODIBEX custom and paid his respects to the Ambassador in a routine manner. Whereupon he returned to our office ostensibly to reminisce and chat with FENNELL.
 - C. In compliance with LINC 1267 Para 3 four possible methods were devised to arrange to meet [] but all presented unsurmountable difficulties. It finally developed use of JUVIA and his contacts was imperative if GILLRAYS was to succeed in his mission. JUVIA agreed to undertake the assignment and reported the next morning that it had been duly arranged [] would see GILLRAYS at 10:30 a.m. GILLRAYS was instructed to present himself at the office of the [] at 10:00 a.m. []
 - D. It was later ascertained from GILLRAYS that [] informed him that [] was unfortunately out of town and GILLRAYS would have to wait approximately eight days in order to see him. That [] was actually out of town was untrue since [] was seen [] and JUVIA's connections state he not only was in town but had evidently changed his mind about the wisdom of the previously agreed appointment at the last moment.
