KUGOWN - PESUCCESS

Mexico Congress

Ref: A. GUAT 178  
B. HUL-A-76

1. In response to Reference A, your [ ] is advised that the Mexico Congress set forth in Reference B has been approved by Headquarters, the only condition being that plans proceed in an orderly fashion and in sufficient detail to insure success of the Congress.

2. The tentative date of the Congress is 5 May, partly because RNSHIELD announced this date publicly, not knowing of KUBARK plans to support the Congress. Fifteen May would be a better date because preparations will be time-consuming.

3. [ ] is now in Mexico, accompanied by a KUBARK KUSODA man, and will endeavor to unify WSBURNT groups before he makes the approach to KNSHIELD with the proposition outlined in Reference B.

4. [ ] is in touch with the [ ] through a secure cutout arrangement.

5. In view of the possibility that WSBURNT residents who attend the Congress might have difficulty re-entering their country after the Congress ends, owing to the proposed outcome of the Congress, it is not suggested that many persons currently residing in WSBURNT try to attend. A person or two refused repatriation on the basis of the Congress will have some KUGOWN value.

6. Your [ ] suggestions relating to the Congress will be appreciated.
