1. G.C. said it identified him through papers -- after drowning??
2. he was fully dressed
3. not in bathing area

body -- blows on the head, the face, neck
wrists the marks of metal clamps very tight
nasal and ear hemorrhage -- torture and blows

Ruben Villatoro, President of UNTL -- 30 years old

30 years old-- fought in Revolution of 1944 -- soon realized it had gone astray
began national campaign against communism in Quezaltenango
formed UNTL to combat communist labor unions: arrested but released
due to public pressure

UNTL

25 Jan: our offices were attacked at 10 o'clock; arrested -- beaten
taken to 1st body of Guardia Civil -- all money, belongs taken away
put in individual cells which had been filled with water previously
to make them damp and cold; kept there till 2 o'clock, then
taken out blind folded, hands tied behind back--kept five
hours in vehicle, returned to cell, taken out --it was night
and he could hear moans all around

Rogelio Cruz Wer questioned me --beat him across the face-- undressed,
stretched out on floor; two men sat on him-- received first blow on ~~ankle~~
sole of foot, beat him ; then put rag in his mouth and would not let
him breathe; when he bit hand over his face they kicked him in stomach
until unconscious; threw water over him to revive him: beat him and when
they tired of that, made him walk over salt water with raw feet-- then
beat him with a hose -- then "pila" -- water treatment, I think
submerged him in water, kept him submerged, would beat him into
consciousness

finally took him and Gabriel Fernandez, Guillermo Davila Cordova, Horacio
Cordova, Jorge Palacios to Mex border -- dropped them there
