## Addendum:

In addition to the above, at least twice as many scripts ( though usually shorter than the above) were given in draft form to SHERWOOD, time and personnel shortage not permitting to copy them beforehand. These scripts referred, for instance, to the following topics:

"Foreign Agents are assisting in distributing Soviet arms to Communist Shock Troops" ( cf. GUAT 601)

"Soviet Military Mission on its Way to Guatemala"

Special announcement (leaflet airdrop)

Statement by Guat Army Officer re political purge

"Beware of illegal, brutal and reckless police action" ( and so forth)
