MEMORANDUM FOR: Director of Central Intelligence

FROM: [Anthony A. Lapham]
General Counsel

SUBJECT: Letelier Matter

REFERENCE: Two Letters from Attorney General, Re Same Subject,
Dated 9 October 1976

1. Attached are the two letters from the Attorney General to you that were hand-delivered to me on Saturday afternoon. The two letters, which deal with the matters regarding Orlando Letelier that we discussed at lunch on 4 October with Stanley Pottinger and Gene Propper, are the product of a drafting session I had with Justice on 8 October.

2. If you approve the Attorney General's recommendation, with or without awaiting for an endorsement from the NSC (which the Attorney General is seeking by way of a separate memorandum to Scowcroft), the letter should go to the DDO for action.

3. I am also attaching a copy of my memorandum for the record regarding our contacts with Justice Department officials in this matter.
