MEMORANDUM FOR: Record

SUBJECT: Conversion of U.S. Government Property
for Personal Gain [redacted]

On 8 September 1987, [redacted] was contacted to determine his intended course of action regarding the misprinted stamp in his possession. In the presence of [redacted] and the undersigned, [redacted] advised that he had discussed the situation over the weekend with [redacted]. Both believe the stamp was not acquired illegally so, therefore, is not the property of the U.S. Government and need not be returned. [redacted] was again advised to take no action to dispose of the stamp since this could subject him to additional criminal penalty. He stated that he and [redacted] were considering, but had not yet retained an attorney. He was instructed that the above would be communicated to the Office of General Counsel and he could expect to be contacted in the near future. [redacted]
