

~~SECRET~~

General William J. Donovan

May 21, 1945.

Arthur J. Goldberg

Pursuant to our discussion of yesterday, I would appreciate it very much if you would authorize me to wear civilian clothes in my discretion in connection with my duties as head of the Labor Section of SI.

Since it would likewise interfere with these duties, I would also appreciate it if you would authorize me to dispense with the necessity for attendance at the Wednesday and Saturday formations.
