Your letter of 2nd March.

- A. Trust you approve suggestion in my letter No. 5 of 27th February that films should be stored at HELSINGBORG under GREW who is very capable of looking after them.
- B. In view of my telegram 0652 do you wish me to go ahead and book storage space for one print of each film or should I wait until hearing whether you are able to arrange transport to U.K. for remaining prints? If not then I presume you would wish me arrange to store all prints.
- C. I shall take no further action until I hear from you.
