Memo No. 338.

From: 7404/7417.

9th October, 1944.

APPROVED FOR RELEASE  
DATE: AUG 2004

I am enclosing a copy of H.Q.'s letter D.612 of September 29th.

I have discussed the question of the dinghy with both 7404 and 7410 and they both agree that it would not be in the best security interests for us to have this out as you can be certain there would be British markings on it. In addition I feel that if H.Q. pack the stores as outlined in their letter, then the rubber dinghy would not be necessary.

Perhaps you would be good enough to let us have an immediate reply on this, so that we can instruct H.Q. to pack as they suggest.
