0883

21st August 1944

MOST
IMMEDIATE

- A. Your 0457 not repeat not clear.
- B. We have continuously assured you of our ability to handle steady stream of CREEP material. See my Z.282 and Z.308 and have been anxiously awaiting material ^{mentioned} ~~mentioned~~ in your Z.328.
- C. Understood it was clear to you that our Gothenburg route is working far under capacity and that we are able to carry as much as you can send.
- D. Recent arrests in Zealand have not repeat not affected Gothenburg routes to Jutland.
- E. Sincerely hope no further misconceptions will be allowed to check flow of CREEP. If CREEP has to be stopped this end for any reason we will inform you specifically and immediately.
