Memo No. 253.

From: 7417.

13th August, 1944.

APPROVED FOR RELEASE
DATE: AUG 20 1993

The purpose of this memorandum is briefly to recapitulate the points agreed between ourselves at our recent meeting.

1. BEAVER will furnish you with a full report on every trip made by both boats (CIUBS and SPADES), showing what traffic and passengers etc. were carried on both the inward and outward journey.
2. BEAVER will furnish you with a copy of the accounts. Probably this could be done every month, and this would be sufficient for our purpose.
3. An attempt will be made to secure from Denmark some indication of the manner in which the German propaganda is distributed.
4. BEAVER will furnish you with some sort of note testifying to the fact that MULE returned to Denmark by permission of WHISKY.
