APPROVED FOR RELEASE
DATE: JUL 2004

To: 7408.

Memo No. 46.

From: 7404/7417.

2nd February, 1945.

Your Memo No. 432 of January 30th, *Para. 2.*

1. I was horrified to find that H.Q.'s telegram (not ours, as written by you) No. 013 had not been repeated to you, and my telegram 506 of February 2nd will have explained the matter.
2. In point of fact the cipherers behaved rather illogically in that they did not repeat this telegram, whereas they have repeated others bearing the same prefix.
3. I hope it has not lead to any serious consequences. We have tightened up on these repeat telegrams and I hope there will be no repetition.
