CREEP STORES

APPROVED FOR RELEASE
DATE: AUG 2004

Your letter D.840 of 27th December, 1944.

I am sorry that there was some misunderstanding concerning the Creep stores as shown in our telegrams 647 of 19th December and 693 of 24th December.

We have now been able to find out how the error arose. It was unfortunately a ciphering error on the part of 7408, and the telegram was repeated automatically to London.

The correct position of Creep stores was shown in our telegram 0744 of December 30th.
