To: 7408. APPROVED FOR RELEASE
DATE: JUL 2004 Memo No. 127.

From: 7404. 26th March, 1945.

Your telegrams 460, 465, 468.

The above telegrams were not marked "Repeat London" at your end.

I should be most grateful if you would ensure that all such telegrams (on the subject of contacts with 7496's boats etc.) are marked "Repeat London" so that our cipherers can repeat them automatically to H.Q. Otherwise there is bound to be a certain amount of delay in this office.

Your D. 285.

This is a very sensible arrangement. Although there is little likelihood of code words on the SWEDISH Radio being confused with our B.B.C. action signals, we have decided to send 7496 a list of words for use in these cases. This list will also be sent to you by telegram.
