**GEORGE W. MERCK**  
CHAIRMAN OF THE BOARD

June 17th, 1953.

Honorable Allen W. Dulles,  
Central Intelligence Agency,  
Washington, D. C.

Dear Mr. Dulles:

Your letter of June 11th regarding Mr. Jack Jaglom has been received in Mr. Merck's absence abroad. Therefore I took the liberty of inquiring of our Personnel people about Mr. Jaglom, and I understand he is doing an excellent job and his supervisors think very highly of him.

Mr. Merck will be glad to know of your interest in the young man, I am sure. He will be back early in July, and I am sure it will not be long after his return before he will have occasion to go to Washington - either for a meeting of the National Science Board or in connection with his work for the Army.

Sincerely yours,

*Elizabeth Kelly*  
Assistant to Mr. Merck.
