CIA Oscar Exhibit Now Showing at Naval Academy:

These Oscars that were awarded to movie director John Ford are now on display at the US Naval Academy Museum in Annapolis. Along with much of the "Iron Horse" exhibit that was featured in the CIA Exhibit Center during February and March, the statuettes-including the two Ford received as head of the OSS Film Photo Unit-will be available for viewing by the general public throughout the summer. Working with the Ford family, the staff of the CIA Exhibit Center arranged to have most of the CIA-produced display transferred to Annapolis. The Naval Academy Museum is open Monday through Saturday from 9 a.m. until 5 p.m. Sunday hours are 11 a.m. to 5 p.m. After its showing at the Academy, the memorabilia will be returned to the Ford family in California. **(This is UNCLASSIFIED.)**
