MEMORANDUM FOR:
Paralegal Specialist
OGC/Litigation Division

(b)(1)
(b)(3)
(b)(6)

FROM:
Information Management Officer
OGC Registry

SUBJECT: Request for Searches

REFERENCE: OGC-96-50560 Memo dated 4 March 1996

1. This memorandum is in response to your referenced records search request (Tab A) for any information on various individuals, entities and airports in response to the IG's tasking memorandum IG-96-0302 (OGC-96-01122) dated 26 February 1996.

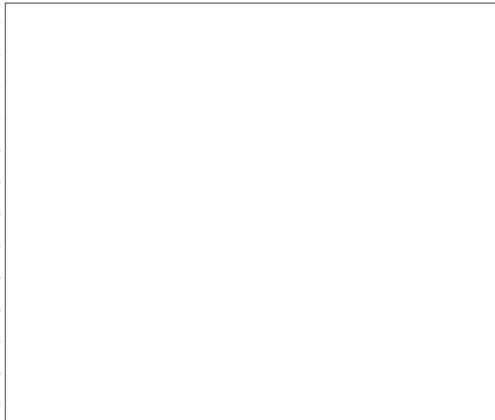

2. The following terms and individuals were searched in the database program entitled OGC Case Management:

- Intermountain Municipal Airport
- Nella, Arkansas
- Adler Berriman Seal
- Barry Seal
- A.B. Seal
- FNU Billings
- Berry Seal
- Eric Arthur
- Ellis McKenzie
- El Gordo
- Joseph Warren Church
- Fairchild C-123K
- Convair C-131A
- N5575A

3. The above individual names, entities and airports were searched in both the assignment section and the document maintenance section of the OGC Case Management database. Assignments are searched by the assignment or case name, while documents are searched by keywords and fulltext. Documents received and created before 1993 are indexed by keywords. Documents received and created from 1993 to the present are stored in fulltext form.

4. Searches the assignment section of the OGC Case Management database surfaced the following two assignments:

- ALD 01943 - Adler Berriman Seal
- L9500207 - Seal, Adler Barriman "Barry" HPSCI Request

The assignment record of each assignment is attached (Tab B).

5. The database document description for each document responsive to the referenced records search request are attached (Tab C).

6. If you have any questions or concerns regarding this search response, please contact me on (secure).
