Re: Second Addendum to the existing FOIA Appeal on file

Submitted by [Redacted]

Dear [Redacted]

We spoke last summer regarding a FOIA Appeal I have had on file for several years with the P & I Office. Per your suggestion, following our conversation I faxed a 2005 Addendum to my original FOIA Appeal.

By receipt of this letter I am adding a 2006 Addendum to my original Appeal for information pertaining to [Redacted] final flight.

It is my belief an article was published, or will be published later in 2006, in the Studies in Intelligence publication focusing on CIA intelligence officers Judge John T. Downey and Mr. Richard Fecteau, who coincidentally were the two passengers on [Redacted] 29 November 1952 flight. The two CIA contract pilots died during the shoot down of their C-47 in Jilin, China.

I am formally requesting a redacted copy of the above-mentioned article to add to my basic knowledge of this high profile Cold War incident. [Redacted] I would hope any charges will be waived and this and my previous FOIA requests on file will be processed in a timely manner.

Sincerely,

[Redacted Signature]
