Dear Mrs. Smith:

Mr. Casey has asked me to respond to your letter of 1 October.

Although it is Agency policy not to confirm or deny employment, let me assure you that we have looked into the matter and found that the Central Intelligence Agency had no involvement in this case.

I have been informed that your attorney, Mr. Peter A. Schey, submitted a Freedom of Information Action request to this Agency on behalf of your family. Your attorney will be advised of their results in the near future.

Sincerely,

*George V. Lauder*
