AGREEMENT #

[Redacted]

AGREEMENT MADE ON THE FIRST DAY OF MARCH 19 81.

IN CONSIDERATION OF THE MUTUAL ADVANTAGES ACCRUING TO BOTH PARTIES, IT IS HEREBY AGREED BETWEEN THE U.S. JOINT PUBLICATIONS RESEARCH SERVICE, REPRESENTING THE UNITED STATES GOVERNMENT, HEREINAFTER REFERRED TO AS THE GOVERNMENT AND LARRY CHIN, HEREINAFTER REFERRED TO AS THE CONTRACTOR, AS FOLLOWS:

1. The Government engages the contractor to perform a series of tasks during the period beginning 1 MARCH 19 81 and ending 30 SEPTEMBER 19 81, and the contractor agrees to undertake such tasks as are assigned to the contractor by designated representatives of the Government during said period of time.

2. Services rendered by the contractor hereunder are delimited by the contractor's capacity and relationship to the Government as an independent contractor. In no sense does such status qualify said contractor for any benefits normally incident to an employee relationship.

3. The Government will compensate the contractor in conformance with the schedule here attached and herein made, by specific reference, as an integral part of this agreement.

4. To effect payment hereunder the contractor will submit statements setting forth both the specific task performed and the charge therefor.

5. The contractor herein assumes personal responsibility to report, under existing Federal, state and self-employment (Social Security) tax laws and regulations, all such income as is obtained in performance of this agreement. The contractor further agrees to determine if local jurisdictional laws require said contractor, as an individual engaged in a business, to procure a business license and pay a licensing tax, as may be required.

6. As the contractor's services are regarded as unique, said contractor shall have no right to transfer or assign any rights under this contract.

7. From time to time the contractor shall assume the custody of Government property. The contractor herein agrees to execute whatever documents may be required to protect the Government's interest in such property.

8. This contract shall terminate before the expiration of the term as hereinbefore set forth upon 15 days' actual written notice by either party.

9. Where termination notice has not been given, then, subject to the availability of appropriations, this agreement shall be automatically renewed for successive one-year periods.

IN WITNESS HEREOF, THE UNDERSIGNED HAVE DULY EXECUTED THIS AGREEMENT THE DAY AND YEAR FIRST ABOVE WRITTEN.
