Chairman, Scientific Intelligence
Committee (SIC)

15 June 1951

Chairman, Joint Medical Sciences Intelligence Committee (JMSIC)

JMSIC Proposal for a Field Medical Intelligence Unit for
the Far East Command, final report of

Ref: (a) SIC 3/13, para 3 (1) & (2), Approved by SIC 31 Oct 50.
(b) JMSIC 3/23 (Draft), para II - 1 June 1951.

Encl: (1) "The JMSIC Proposed Field Medical Intelligence Unit
for the Far East Command", dtd 25 Nov 50.

1. In response to reference (a), the JMSIC has decided to withdraw its proposal for subject FMIU in view of the Assistant Chief of Staff, G-2's decision to disapprove agreement in principle on subject as of 9 May 1951.
2. It appears that no useful purpose will result in pursuing this matter further. However, the majority of the JMSIC membership is of the opinion that Enclosure (1) covers subject fully and that it should be submitted to your committee for information and completion of the record.
3. For your committee's further information, the special working committee of the JMSIC on subject was able to report approval in principle by

The Surgeon General of the Army,
Air Force Directorate of Intelligence,
The Surgeon General of the Air Force,
Director of Naval Intelligence,
The Surgeon General of the Navy.
