

Paterson, 3-20-58.

Dear John,

I thought to for a while and decided to ask you a small favour, short before my departure from Fort Meade, I decided to correct some of my points-biography, particularly date of birth and due that some other small things. With this things mostly acquainted [ ] , to whom I did explained the reasons why it happened so as well as when and whereit happened.

The day when I was leaving fort Meade, at last I have seen the Capt. (who was in charge of that office) and also was present Jim if I do recall well, and I believe it was important to correct all necessary uncorrect dates in my biography for future according to them, and of course I agree with them hundred percent that should be corrected and I thought that I will hear from them a word advising me to go ahead and make necessary application to the Immigration and Naturalization Bureau, and after passed a considerable time I wrote them a letter in which I expressed my whiches and I asked them if they will help me in directly as during the our last conversation they mentioned so. But unfortunately they did not received my letter. (I send that letter to the followin address [ ]

[ ] Main Post Office Washington, D.C.)

Now, I wonder if could spend for me few minutes and talk about it with same concerned ones, just to know their opinion. Really if I could learn that they do not have any objection, I think I had same possibilities to go along and put necessary application. Specialy as you should know that U.S. Congress passed few months ago a law which allows immigrants to change same uncorrect dates when they were folsly writting them in order to came to the U.S.A. and I consider my case as one of those few hundred thousand cases for what U.S. Congress was kind enough to consider and give them chances to correct ones forever and become clean forever. If you could't speak with other people for any reason, I wish you could get from them a address through which I could contact them.

Just I received a letter from Beirut's merchant to whom I wrote sametime ago, herewith attached for your information. Also I am attaching herewith a copy of the letter which I sent to KLM Office New York, asking them for refund the same amount of money, and I shall let you know as soon as I hear from them.

Wishing you all the best,

Very truly yours,

*John H. ...*

*By the way if I do  
create any inconvenience  
for you if you are not  
able to spend your dear  
time reading my letter,  
please let me know  
so as I could stop it.*
