Dear Mr. Chairman:

[redacted] The purpose of this letter is to keep you fully and currently informed regarding the Central Intelligence Agency's Strategic Facility Space Plan, as discussed in correspondence provided to you in April 2006, and notify you of our intent to reprogram [redacted] from the [redacted] Expenditure Center to the [redacted] Expenditure Center to cover certain costs associated with the Plan.

[redacted] The goal of the Strategic Facility Space Plan continues to be the consolidation of our singleton leased facilities in the Washington Metropolitan Area (WMA) into our new [redacted]. The Plan was developed in 2002 and was envisioned as a replacement plan for the Agency's portfolio of leased WMA buildings. However, the Presidential Directive to increase substantially the number of analysts and National Clandestine Service officers is causing personnel growth to exceed the Agency's available space in the WMA. Although we are exploring longer-term solutions to address this issue, we require a near-term solution to the immediate requirement for space. Accordingly, we must delay our plans to terminate the leases of three buildings as reported to you in our April 2006 letter.

[redacted] Specifically, we intend to renew the leases of the [redacted]
