30 December 2002

Reference: F93-1813

Dear

This concerns your 9 September 1993 Freedom of Information Act (FOIA) request for "a copy of all files in [our] agency that may contain current address and/or information regarding the whereabouts" of Adnan Khashoggi and Manucher Ghorbanifar.

On 17 November 1993, you were provided with previously released material concerning Adnan Khashoggi. We also advised you that we were conducting searches in our other records systems for documents in existence as of 5 October 1992 on Manucher Ghorbanifar on behalf of an earlier requester. That earlier request is still being processed.

We wish to assure you that we are still processing your request and, because we have not corresponded with you recently, we would like to verify that the address we have on record for you is correct. We also would like to be certain that you remain interested in receiving the information you requested.

We will continue to process your request. If, however, we do not hear from you within 45 days from the date of this letter, we will assume that you are no longer interested in receiving the information requested, and we will stop processing and close your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathryn I. Dyer".
