MEMORANDUM FOR: Chief, NE Personnel

SUBJECT: Mrs. Eolene F. Vincent: Recommendation
for Promotion to GS-9

REFERENCE: Similar Recommendation by [redacted]
21 April 1967

I concur in [redacted] recommendation that Mrs. Vincent be promoted to GS-9. Although she has been under my supervision for only a short period, I have found that she does indeed maintain a high degree of professional skill, is most energetic, and is thoroughly dedicated to her job. The work which she performs is most important to the functioning of the branch and our field components, and in my opinion proper recognition for her competent performance of this work is long overdue.
