MEMORANDUM FOR: Chief,

SUBJECT: Commendation for Mrs. Eolene J. Vincent

Please convey to Mrs. Vincent my appreciation for her excellent performance of Sunday, 16 February, wherein, during the course of the afternoon,

The identification and exposure of individuals plotting the assassination of U. S. Government officials, and especially those plotting against our Chief Executive, is of the highest concern to all of us, and I am indeed happy to make note of Mrs. Vincent's professional contribution to that end.

This memorandum will be made a matter of record, and will be included in Mrs. Vincent's personnel file.
