Dear Carl,

As you bring to a close your active career of service to your country, I join your friends and colleagues in wishing you well in your retirement.

You have the satisfaction of knowing that your career has been characterized by major achievements in specialized scientific areas of great importance to your country. In your role as Deputy Director of Science and Technology in this Agency, you contributed greatly to the national intelligence effort in these areas. The repeated recognition which you have received will be a source of lasting pleasure to you and your family.

May I extend to you, personally and officially, my sincere appreciation for the important work you have done.

Yours,

/SIGNED/
