Hon. Samuel O. Clark, Jr.,
Assistant Attorney General,
Tax Division,
Department of Justice,
Washington, D. C.

Dear Sir:

My delay in writing you regarding our plans for Miss Catherine Rigsbee was caused not by a lack of interest in her but by the fact that I had the flu recently.

It is our plan to employ Miss Rigsbee here with OSS and to send her immediately overseas for foreign service.

I have interviewed her once and spoken with her on two other occasions and am thoroughly satisfied that she will be a most desirable and capable person for our staff. I should like to say that I greatly appreciate the kindness and consideration you have shown in granting Miss Rigsbee a release for this service, for I can well understand how you would be loath, in these times, to lose the services of so capable a person.

Many thanks.

Very truly yours,

Robert H. Knapp
