Office of Strategic Services  
Washington, D.C.

Dear Sirs:

I understand that Miss Catherine Rigsbee  
has applied for a position with your staff.

Miss Rigsbee served as my secretary, while  
I was a Special Assistant to the Attorney General  
of the United States, during the period from the  
summer of 1941 until I resigned this past November.  
She is capable, efficient, and extremely hard working,  
with a strong sense of responsibility for the work  
she is doing. She is a person of pleasing personality,  
and in the course of her duties with me, showed marked  
ability for working smoothly with others in a large  
organization.

I recommend her for your favorable consideration.

Very truly yours,

Samuel H. Levy
