

OFFICE OF STRATEGIC SERVICES

Major Lowman

July 16, 1942

Lieut. Col. Goodfellow

Lieut. Col. John F. Grombach

You will recall suggesting that I discuss with Lieut. Col. Grombach the subject matter for a letter of recommendation which he requested you to send to the Chief of the Military Intelligence Service.

Lieut. Col. Grombach said that he would like to think the matter over and submit something that you might approve and use. I told him to send this to me and that I would bring it to your attention. It is enclosed.

I gathered, too, from you that if you sent one, you preferred it in rather simple form. I am attaching a suggestion along those lines for your consideration.
