APPROVED FOR RELEASE DATE: 08-25-2010

March 8, 2009

Information and Privacy Coordinator  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Coordinator:

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting a copy of a document in the CIA collections entitled "Israeli Intelligence Service in the United States" dated May 1961 and created by the Federal Bureau of Investigation, and which was sent to the CIA. If you feel that this document has equities belonging to the FBI, please refer it to the Bureau for an assessment of releasability. The FBI indicates that they have misplaced their copy of this document, so there is little point in submitting another request directly to the FBI at this time.

I agree to pay costs up to \$35 associated with this request. This is a noncommercial request for research and study purposes and falls into the "all others" fee category.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

Thank you very much for your assistance.
