Dear Mr. Walsh:

Congratulations on your winning the Federal Aviation Administrations aviation mechanic safety award in the air carrier division. Snap-on Tools Corp. is proud to award to you a KRA-377B Roll Cabinet, a KRA-58B Tool Chest, a KRA-251 Tool Box, plus a \$300.00 Gift Certificate you can use to purchase the tools of your choice to help fill your new tool cabinets.

We have made arrangements with F.A.A. in Honolulu to have your new tool cabinets shipped to you. Enclosed with this letter is the gift certificate and a catalog and price list. If you will send us a list of the tools to which you wish to apply this \$300.00 we will try to get F.A.A. to ship them to you as well.

Congratulations once again on a job well done.

Aloha and best regards,

Richard Hulse
