7 May 2000

Mr. Lloyd D. Salvetti  
Director  
Center for the Study of Intelligence  
Washington, D.C. 20505

Dear *Lloyd*

On behalf of the Intrepid Society I would like to extend my sincere thanks for the kind invitation and hospitality given our delegation on the visit to Washington on May 2<sup>nd</sup>.

The museum tour conducted by [redacted] was very interesting and gave us many ideas for our future museum honouring Sir William Stephenson.

We are now meeting with the 1 Canadian Air Division to secure a prominent location at their Headquarters in Winnipeg for the display of the superlative medallion presented to the society during our visit. The site is a very appropriate one, as it is also the Headquarters of the Northern Command of NORAD.

Again, my thanks for the kind reception and I hope that the maquette of Intrepid will serve as a reminder of the friendship that exists between our nations.

Sincerely

Colonel Gary C. Solar  
Vice President
