(b)(3)

23 JUL 1969

MEMORANDUM FOR: Director
Federal Bureau of Investigation
SUBJECT: Richard DUDMAN

1. This office would be interested in receiving any information you may have in your files concerning the above Subject, who is a reporter for the St. Louis Post Dispatch. DUDMAN's date and place of birth are not immediately available, nor do we have any other identifying data. It is believed, however, that you will have no difficulty in identifying him in your records. We do have some information in our files which originated with your Bureau and covers the period May 1963 to December 1964, which reports some of DUDMAN's contacts with Cvijeto JOB, a Yugoslav official who was stationed in the United States at the time. We should appreciate receiving any information you may be able to provide to supplement that data.

2. For your information, we have received a report from our representative in Saigon indicating that DUDMAN was in South Vietnam at least during the period 26 May - 29 June 1969. The purpose of his trip was to do a review of the South Vietnam political scene. He appeared to be particularly interested in the question of police and army suppression of political liberties in South Vietnam.
