Dear Ed,

Once again the Spring Drive to raise funds for the National Health Agencies and the Joint Crusade has met with success here in our Office as a result of the outstanding cooperation of the entire Security Staff.

As you know, we were asked this year not only for 100% participation but also to "give a little more" where we could. The response was excellent with 99% participation in the National Health Agencies Campaign and 98.6% in the Joint Crusade. Furthermore, the total amount contributed in both drives increased by 33% from \$1133.41 in 1962 to \$1513.95 this year.

The effort that you and the other keymen put forth during the campaign contributed in a major degree to its success and I want to commend you for a fine job. The work you did is very much appreciated.

Sincerely,

SIGNED
