MEMORANDUM FOR: Chief of Facility  
FROM: Chief, Engineering  
SUBJECT: Resignation

---

Please accept this memo as notice of my intent to resign from government service effective 1600 hours on Thursday, 2 August 1973. This is in keeping with the schedule we agreed upon when I announced my intent last March.

I regret that the press of personal business causes me to terminate short of tour and at such an interesting time in the program's life. On the other hand, after almost eight years on one program, a change is in order.

I would like to thank you and all members of the staff for a very pleasant working association during my stay on site.
