APPROVED FOR  
RELEASE □ DATE:  
06-16-2010

Reference: F-2010-00073

Dear Mr. McClanahan:

This acknowledges receipt of your 9 November 2009 letter concerning your 8 October 2009 Freedom of Information Act (FOIA) request for copies of **“all Central Intelligence Agency (‘CIA’) records, including cross-references, pertaining to:**

- a) Past and present CIA policies and regulations regarding interaction with Congressional Committees or Subcommittees with oversight over national security activities (hereinafter ‘national security oversight committees’), including but not limited to the House Permanent Select Committee on Intelligence (‘HPSCI’), the Senate Select Committee on Intelligence (‘SSCI’), and the former CIA Oversight Subcommittees of the Senate and House Armed Services and Appropriations Committees; and**
- b) Any other past and present CIA policy memoranda, position papers, articles in agency newsletters, or related official publications regarding national security oversight committees that aren’t covered by (a) above.”**

In our 30 October 2009 acceptance letter, we stated that we are currently processing a request for the same records from another requester, and that we would provide you the same CIA-originated records from that request, if released. You have asked that we not limit our search to CIA-originated records. Please be advised that we are not limiting our search to CIA-originated records in the original request. Since we are not authorized to release other agency documents, if other agency documents are located, we will be required to forward the documents to the appropriate agency(ies) for their review and determination as to their release. However, we will forward to you the same releasable CIA-originated records, if any exist.

We accept your request and will process it in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act. Our updated search will be for all records, regardless of origin, in existence from 14 March 2009 through the date of this acceptance letter. The previous request covers a search through 13 March 2009.

Sincerely,

A handwritten signature in cursive script that reads "Delores M. Nelson".
