COVER MESSAGE

On Nov. 13, you responded to this FOIA request, saying that all the records were exempt under Exemptions 1, 2, and 3. On Dec. 8, I faxed a request for more information regarding the invocations of Exemptions 2 and 3. On Dec. 9, Richard called me and told me that the request was being reviewed again, and that someone would call me with the information soon. On Dec. 31, Greg called me in response to a voice mail message and informed me that the request was still under re-review and that Richard would call me soon. I have not heard back from CIA since then. Please call or email me with an update on the status of this request and on the specifics of the invocations. Thank you.
