Washington, D.C. 20505

13 October 2010

Mr. Ryan Gingeras

APPROVED FOR RELEASE   
DATE: 03-01-2011

Reference: F-2010-01914

Dear Mr. Gingeras:

On 28 September 2010, the office of the Information and Privacy Coordinator received your 20 September 2010 Freedom of Information Act (FOIA) request for **“records on the anti-Greek riots in Istanbul, Turkey on September 6-7, 1955.”** We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

The CIA Information Act, 50 U.S.C. § 431, as amended, exempts CIA operational files from the search, review, publication, and disclosure requirements of the FOIA. To the extent your request seeks information that is subject to the FOIA, we accept your request and will process it in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act. Unless you object, we will limit our search to CIA-originated records existing through the date of this acceptance letter.

Based on the information provided in your letter, we determined that your request falls into the “educational and non-commercial scientific institution” fee category, which requires you to pay only the cost of reproducing released records. Document copies are ten cents per page after the first 100 pages, to which you are entitled free.

The large number of FOIA requests CIA receives has created unavoidable delays making it unlikely that we can respond within the 20 working days the FOIA requires. You have the right to consider our honest appraisal as a denial of your request and you may appeal to the

Agency Release Panel. A more practical approach would permit us to continue processing your request and respond to you as soon as we can. You will retain your appeal rights and, once you receive the results of our search, can appeal at that time if you wish. We will proceed on that basis unless you object.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Koch', with a long horizontal stroke extending to the right.

Scott Koch  
Acting Information and Privacy Coordinator
