5 November 2010

Mr. Jason Smathers

Reference: F-2011-00104

Dear Mr. Smathers:

This is a final response to your undated Freedom of Information Act (FOIA) request, received in the office of the Information and Privacy Coordinator on 14 October 2010, for **“All documentation available to analysts working with the CIA’s Political Islam Strategic Analysis Program (PISAP) which describes the use of any database system used by PISAP analysts.”**

We have completed a thorough review of your request and have determined that our record systems are not configured in a way that would allow us to perform a search reasonably calculated to lead to responsive records without an unreasonable effort. The FOIA does not require federal agencies to perform research, create records or conduct unreasonable searches through a body of material to see if any of it is related to a particular request. Therefore, we must decline to process your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Koch".

Scott Koch
Acting Information and Privacy Coordinator
