I will never divulge, publish, or reveal by writing, word, conduct, or otherwise, any information relating to the National Defense, security and intelligence sources, methods and operations, as such may be related to TALENT operations, sources, methods, personnel, fiscal data, or security measures to anyone, including but not limited to, any future governmental or private employer, private citizen, or other government employee or official regardless of the degree or classification of any security clearance such individual may possess, without the express written consent of the TALENT Control Officer or his authorized representative.

2. I do not have any documents or materials in my possession, classified or unclassified, which are the property of, or in custodial responsibility of the TALENT Control System, having come into my possession as a result of my duties with the TALENT Control System, or otherwise.

3. I have been advised that in the event I am called upon by the properly constituted authorities to testify or provide information which I am pledged hereby not to disclose, I will notify the senior intelligence officer or his authorized representative of the command from which I received my TALENT clearance. I will also advise said authorities of my secrecy commitments to the United States Government and will request that my right or need to testify be established before I am required to do so. I am fully aware that any violation on my part of certain matters sworn to by me under this oath may subject me to prosecution under the Espionage Laws, and that violation of other portions of this oath are subject to appropriate action, including such dissemination of the violation as the circumstances warrant.
