MEMORANDUM FOR: MR. HUGH R. WILSON

Lee Duncan Chaplin

FROM: MR. ALLEN DULLES

~~*George Bowden*~~

I attach a memorandum from George Bowden, together with the various papers with regard to Duncan Chaplin Lee who has applied to us for a job and who has been warmly recommended by Colonel Donovan.

Our impression was most favorable. He is undoubtedly an able fellow, but I do not believe there is an opportunity for him here as the qualifications we need are rather specialized and I want to keep our staff down to a minimum.

Believing, however, that he could do useful work, I send on his application for consideration by the Washington Office.
