USSR-Bangladesh: Sunday's communiqué winding up Prime Minister Rahman's visit to the USSR expresses Bangladesh backing for a number of foreign policy positions favored by Moscow, notably the Viet Cong's seven-point peace plan and the 1967 UN resolution on the Middle East. There was no mention of major new aid commitments, but Moscow agreed to proceed with over \$40 million in projects begun in Bangladesh prior to the war. The communiqué indicates that some further aid for reconstruction of industries, transport, and fisheries and the training of technicians will be made available.

Malta-UK: Prime Minister Mintoff began a new round of talks in London yesterday with Defense Secretary Carrington.
