*DOSTI, Hassan*

Hassan DOSTI, president of the Free Albania Committee, left for the Bagnoli (Naples) DP camp in the early part of January, and returned to Rome on 15 January. While there, he confided to some of his collaborators that the Albanian refugees at Bagnoli had not shown themselves unwilling to compromise in the hope of eliminating the schism in Balli Kombetar. He therefore hopes to be able to proceed in the reconstruction of the movement in the near future.
