1. There is forwarded herewith an untranslated (Italian) report originating with new source [ ] mentioned in Reference.
2. Enclosure reports an interview with Hasan DOSTI during the course of which he is alleged to have covered the following points:
  - a) Agrarian Balli Kombetar, formerly the predominant element in NCFA has withdrawn from the Committee and its leaders and members are in opposition to NCFA chairman DOSTI.
  - b) The most active and capable element of the Albanian emigration is therefore in opposition to the Committee, and, in this connection, the analogy between NCFA developments and those of the Bulgarian Committee is drawn.
  - c) Just as British agent MATZANKIEV directed the struggle against the Bulgarian Committee president DIMITROV, Atlant KOCI is now attempting to disrupt the unity of the Albanian emigration in order to further British policy in opposition to American and Italian interests.
