7. REPORT OF FINDINGS:

The following information was obtained on 16 June 1952 by this Agent from Informant 6030, who in turn had obtained the information during the course of a conversation with Erich KEREWAYER:

The former Slovakian Minister of Culture, Professor Dr. Ferdinand DURCAISKY, recently paid a number of visits to Erich KEREWAYER in Grunden, Upper Austria. Dr. DURCAISKY, who recently arrived in Austria from South America, allegedly stated that very little sympathy for the United States is to be found in Argentina. The present policy of the United States towards the South American countries is fostering a tension which may develop into difficult complications. DURCAISKY is anxious to enlist the aid of Erich KEREWAYER as KEREWAYER possesses excellent personal contacts among the Slovaks residing in Austria. Within the near future, DURCAISKY is scheduled to take an official vacation in Grunden, but in reality he will utilize the occasion to formulate the exact methods to be employed between DURCAISKY and KEREWAYER for future joint operations. DURCAISKY is allegedly employed by some unknown American Agency.

A short time ago Dr. Wilhelm HOETTL approached DURCAISKY in Linz, Upper Austria, and introduced himself as the representative of a German office. Anxious to enlist the aid of DURCAISKY, HOETTL stated that he was looking for qualified, trustworthy Slovaks who would be trained by him and be well paid for their services. These people would be employed to obtain political and military information from the Eastern Zone of Austria, Czechoslovakia and Hungary. HOETTL stated that he is kept busy in Linz maintaining contact with agents who have been assigned to Czechoslovakia and Vienna. HOETTL told DURCAISKY to think the proposal over carefully and then write an answer to his (HOETTL's) co-worker, Baron Harry MAIST, Post Office Box 331, Main Post Office, Linz, Upper Austria.
