MEMORANDUM FOR: ⊏ ⊐
CI/OPS/FE

SUBJECT: Matters For Discussion With
Herr DICKOPF, Deputy Chief
of The Bundeskriminalamt

REFERENCE: Our Telephone Conversation

1. EICHMANN

    a. Did Israeli Inspector General NAHMIAS mention
    anything about the capture of Adolf EICHMANN?
    If so, give the details.

    b. Did NAHMIAS ask DICKOPF for the names,
    locations, and employment of other Nazi war
    criminals who committed crimes against Jews?
    If so, get identities.

2. TADMOR, Mordechai - AKA "Colonel" MARTIN

    In the 8 Jahrgang, Nummer 7 (July 1958) of the Deutsche
Soldaten Zeitung, there is an article on a "Colonel" MARTIN who
recruited former Wehrmacht and SS soldiers to engage in espionage
in the Arab world. Through a long chain of events, details of which
are better described in the Zeitung, MARTIN was finally exposed
as an Israeli agent whose real name was Mordechai TADMOR. He
left Germany almost immediately. TADMOR is reported to have
been attached to the Israel Reparations Mission in Cologne. He
was born in Tel Aviv on 3 February 1922. He travelled on Israeli
Passport No. 61145 in 1958.

    a. We would like DICKOPF to read this story and
    check it for veracity.

SECRET

b. If it is true, could he check the address and the
list of Israelis working for the Reparations Mission
in order to determine the dates of TADMOR's pre-
sence in Germany and the date of his departure?

c. If the BfV or some other German security agency
maintains a picture file of foreigners assigned to
West Germany, would he mind sending a photo
picture of TADMOR for identification purposes.

3. We would like the name of the Rumanian Jew (Israeli), the
name of the refugee committee or organization and its address in
Frankfurt for which he works, and an account of the purpose or aim
of the organization.
