SUBJECT: Adolf EICHMANN

1. Attached are prints of eight reels of microfilm of captured German documents. These documents are in custody of the United States National Archives and were made available to Dr. SCHUELE for examination during his recent visit. Dr. SCHUELE of course was shown many more documents, but the attachments represent those which he deemed of importance and requested be reproduced.

2. These prints are only for your internal use. Any other use must first be authorized by the National Archives.
